

Investment Banking - M&A Advisory German Speaker Fulltime Analyst role in Frankfurt Start date: August 2011

J.P. Morgan is a leader in asset management, investment banking, and treasury and securities services. Today, we serve one of the largest set of clients in the world, including corporations, institutional investors, hedge funds, governments and affluent individuals in more than 100 countries. J.P. Morgan is part of JPMorgan Chase & Co., a leading global financial services firm with assets of \$2.2 trillion.

Job Description:

The **M&A Advisory Team in Frankfurt** is looking for an exceptional **German speaking graduate** to join the firm in **August 2011**. With the support of a world-class training program, hands-on learning opportunities, mentoring and feedback, and numerous development opportunities, you will gain a strong career foundation in financial services. Our analysts are the anchors of each team and are expected to make a personal impact right from the start.

As an **Investment Banking analyst** your responsibilities may include, but are not limited to:

- Performing financial valuation, discounted cash flow and multiples-based analyses
- Building and using financial models
- Preparing presentation materials and participating in deal pitches
- Conducting industry and product research
- Executing end-to-end client transactions

Your prerequisites are:

- Strong affinity to financial markets / focus on finance
- Experience in financial markets and project work (best proven by a previous M&A internship)
- Strong quantitative (financial mathematics) and Excel skills
- Ability to take responsibility for projects and work independently
- Ambitious, hard-working, driven and capacity to show initiative
- Attention to detail
- Reliability and team-player personality
- Fluency in German and English is essential
