

**Global Corporate Banking  
Summer Internship  
Frankfurt  
June - August 2013**

J.P. Morgan has been doing first-class business in a first-class way for more than two hundred years. We have been a leading player in helping companies grow and markets develop throughout our history. We work in collaboration across the globe to deliver the best solutions and advice to meet our clients' needs through the Investment Bank, Asset Management, and Treasury & Securities Services

The Global Corporate Bank manages the firm's relationships with large corporations, financial institutions and public sector organizations globally to solve problems for clients and help them to grow. We help our clients meet their objectives and challenges in financing, risk management, working capital, cash management and investments. Clients benefit from dedicated coverage provided by experienced corporate bankers, who deliver the firm's extensive product platform and presence in more than 60 countries worldwide. We leverage the capital strength of JPMorgan Chase and extend credit to help clients grow their business.
