

INTERNSHIP in M&A/Business Development-Team

Location: Paris

Length: 3/4 months

Start: Spring 2013

AXA Liabilities Managers (see www.axa-lm.com) is offering an excellent internship opportunity that allows you to work in an international team with a positive and entrepreneurial working environment. The intern will be part of the M&A/Business Development-team which identifies and conducts all mergers and acquisitions for AXA Liabilities Managers worldwide. The team is based in Paris. It is responsible for implementing a mid-long term growth strategy by acquiring insurance portfolios on a global basis, but with a focus on the highly attractive continental European market.

Key activities of the internship

The internship is mostly focused on preparing potential M&A-activities, e.g. analysing and researching potential take-over targets, as well as researching trends on the worldwide M&A-markets, e.g. transactions, competitor developments, other market trends (regulators, etc.). In some cases there may also be some supporting function in a due diligence.

Qualification / skills

- At least 2nd /3rd year Bachelor degree in business administration, specialization in insurance is a clear plus
- First practical experiences in financial services institutions
- Strong analytical and research skills in identifying and pursuing data sources, developing recommendations
- Language: fluent in English and German, French language skills are a clear plus

Other Skills

- Able to work autonomously and to provide high quality results
- A good team player with the ability to integrate soon in an international team
- Highly motivated, able to balance several tasks, flexible

Compensation/ accommodation

- The intern will receive a total compensation of monthly 1.249 € gross amount.

To apply for this internship, please send your CV to the HR department of AXA Liabilities Managers (axalmrh@axa-lm.com) and Bora Oberman (bora.oberman@axa-lm.com).
